

Booking a Taxi

There are many private taxis licensed to operate in this area. Please note however Taxis are not allowed to crossover areas, if you are in Javea you must call the Javea Taxi. If you are in Moraira you must call a Moraira Taxi. It may be possible to arrange a return trip on your way out, but you will have to ask the driver or person you speak to when you book the outgoing trip.

You can always ask a bar or restaurant to call a taxi for you.

Calling for a taxi and putting your Spanish to the test!

Taxi drivers may not speak your language, but don't let that worry you. We've given you a few phrases below so you can try and call them yourself. We find that the best option is to use the google translate app and send them a Whats App, with your request and your location. If they don't answer we recommend you call them to confirm.
